## **TekLinks Ranked #29 Globally of Top 100 Managed Service Providers**

[TekLinks](#), a regional I.T. services provider headquartered in Birmingham, Alabama, announced today that it has been ranked Number 29 among the top 100 managed service providers in the world on Nine Lives Media Inc.'s third-annual [MSPmentor 100](#), a distinguished research report identifying the world's most progressive managed service providers.

"We are excited and honored to be recognized by MSPmentor's Top 100," said David Powell, Vice President of Managed Services. "TekLinks has been a leader in our region in the I.T. industry since 2001, and we began to focus the same innovative spirit, work ethic, and commitment to outstanding service by expanding our managed services practice in 2007. TekLinks looks forward to continued growth and development in managed services as we find new and better ways to provide the reliable, available, and top-quality service that our clients expect."

TekLinks was also ranked 10th globally in managed services revenue added in dollars, 12th overall in percentage of managed services revenue growth, and ranked 19<sup>th</sup> among all managed service providers in the United States. TekLinks is a Cisco, Microsoft and Citrix Gold partner, with over 100 professionals in eight locations throughout Alabama, Mississippi, and North Florida. The firm also owns and operates a 5,600 square foot Data Center at their Birmingham, AL facility, a 2,000 square foot Data Center in their Hattiesburg, MS facility, as well as an additional Data Center in Jackson, MS to provide 24/7 Co-Location, Hosted, and Managed Services for their clients.

[MSPmentor](#), produced by Nine Lives Media Inc., is the ultimate guide to managed services. MSPmentor features the industry's top-ranked blog, research, Webcasts, podcasts and videos. It is the number one online media destination for managed service providers in the world.
