TekLinks Named to Birmingham Business Journal's Top 100 List

TekLinks, a regional IT services firm, based in Birmingham, AL, today announced it has made the Birmingham Business Journal's Top 100 List for a third consecutive year. Each year, The Birmingham Business Journal recognizes the top 100 privately held companies in the area. TekLinks rounds out the 2010 list at number 56 increasing 13 spots from the previous year's position at 69.

"TekLinks is proud to be recognized as one of the top 100 privately held companies in the Birmingham area again this year," said Roy Gilbert, TekLinks Executive Vice-President. "We continue to grow despite the recession and we owe that to the dedication of our employees and to the quality of the services we offer our clients. Our cost-effective and efficient managed service solutions allow our clients to grow their business without incurring the normal hefty upfront capital expenses associated with adopting the required technology to support that growth...which is extremely beneficial to clients during this economic downturn."

About TekLinks

TekLinks is a leading provider of IT and Managed Services in the Southeast. TekLinks partners exclusively with market leaders that are the dominant players in their respective fields-- Cisco, Microsoft, EMC, Citrix, and VMWare. Additionally, TekLinks has leveraged their technical expertise to develop a managed services practice that offers a full range of managed offerings, from desktop support to data center services. TekLinks is committed to leading the market in technical excellence and next generation managed services.

TekLinks, We Know IT.
